

Celebrating Silver:

Symphony of **H:♥:PE**

SLH was started to meet the needs of the vulnerable and the older sick person. Today, we continue to meet needs that are often underserved – catering to the complex care requirements of older persons grappling with functional loss, limited caregiver support and financial challenges.

Through our Clinical-Social-Pastoral (CSP) care model, we transform lives beyond physical health. Our commitment to this model remains at the core of our care as we strive to restore patients beyond wellness to wholeness.

Your generosity will be instrumental in equipping SLH with the necessary resources to provide quality care for our patients. We deeply appreciate your support and look forward to your continued partnership in meeting the growing needs of our community in the years ahead.

Themed “Celebrating Silver – Symphony of Hope”, this year’s event aims to shine a light on the transformative power of integrative Rehabilitation care beyond recovery towards fitness and inspire support for ageing well in Singapore.

Event highlights include:

- Experiential Rehabilitation Zone
- Three-part Musical Ensemble
- Launch of iReX – Singapore’s first Integrated Rehabilitation Exercise Programme in a Community Hospital

With every donation,

\$1,000

will subsidise  **2 beneficiaries** receiving centre-based rehabilitation for *10 sessions.

\$5,000

will subsidise  **8 beneficiaries** receiving home care for a year.

\$10,000

will subsidise  **6 beneficiaries** receiving Community Hospital Inpatient Care for *28 days duration.

*Estimate based on household income and clinical needs.

Through this fundraiser, we hope to help raise the much-needed funds for the beneficiaries under our services, who are mostly from low-income families.

All donations are eligible for 250% tax deduction.

After a stroke, Mdm Zaina lost the ability to move, sit or even recognise her loved ones.

She was transferred to SLH for post-stroke rehabilitation to improve her strength, balance and mobility.

Staying alone in a one-room rental flat, she was most worried about coping at home post-discharge.

Our social workers explored options and care plans with Mdm Zaina’s two sons, allowing her to focus fully on her recovery. Financial support and grants were also applied to ease their financial burden in the journey ahead.

With determination, she slowly regains her independence – being able to walk short distances and enjoying a stroll at the community garden. She looks forward to full independence by continuing with therapy at the Day Rehabilitation Centre.

“The compassionate care provided to me by SLH uplifted not just my health but my whole spirit. I am grateful to all the staff who truly embody the spirit of serving, loving, healing.”
